## Internet Safety Tips Project Rubric

Your job for today is to:

1. Research and gather information on how to stay safe while online. I have provided some resources for you. You may use other websites for your research.
2. Out of the ten tips provided from my webpage, you will select one tip and write a story demonstrating/explaining that tip. Your book should be written for an **elementary school student...young age!**
3. Follow the rubric below for specifics on what is required in your book.

Be creative...Take a look at this video...your book could be something like this.
